

# 2017 WPPA State Shoot

Menomonee Falls Rod & Gun Club  
W249 N8500 Hillside Rd. Sussex, WI 53089

August 13 – Practice  
August 14 – Match

The 2017 WPPA State Police Shoot will be held on August 13 and 14, 2017, at the Menomonee Falls Rod and Gun Club, located at W249N8500 Hillside Rd, Sussex, WI 53089. This event is open to all active and retired sworn law enforcement officers, and is seeking new participants for fun competition and more importantly, camaraderie.

The Match will be held on Monday August 14, and will consist of three different shooting events that are included with registration. There will be the traditional Bullseye competition, a Rifle Match, and a Sub Compact Pistol match. Sunday August 13 is a practice and social day. The range will be available for last minute sight in, and match practice. Attendance for this day is NOT required.

**Bullseye Match:** This 90 round match will consist of a NRA Precision Pistol (Bullseye) course of fire, at 25 yards, and is shot one handed. Courses of fire within the match consist of Slow Fire, Timed Fire, and Rapid Fire. Firearms must be chambered in .38spl/9mm to 45ACP, and have iron sights that are fixed or adjustable. Shooters compete in classes of like skilled shooters, determined by previous year's scores. New shooters are classified as "Freshman" and will compete against first year shooters.

**Rifle Match:** This match is set up for the two types of rifles commonly used in law enforcement, a patrol rifle and a precision rifle. Both categories will be shot concurrently, in the prone position to 100 yards. **Patrol Rifle\*** will be any centerfire rifle that utilizes iron sights or a non-magnified red dot optic, and can only be supported by the use of a sling. The course of fire will be 20 rounds fired, using the NRA B8

Pistol targets (same as the pistol match.). **Precision Rifle** will be any centerfire rifle that has a magnified scope, and bipods and rests are allowed. Twenty-one rounds will be fired, using a target with shapes of varying sizes. Shooters may shoot in both categories if time allows, although the shooter's preferred rifle should be shot first.

**Sub Compact Match:** The purpose of this match is to use the firearms commonly used as off duty or concealed carry guns. This match will be a 30 round NRA National Match Course, same as the Bullseye Match. Firearms must have a manufactured barrel length of less than 3½", chambered between .380 ACP and .45ACP, and CAN be shot with two hands.

**Food:** Lunch will be provided on Monday at the range, and the awards banquet will follow the match at the Village Bowl, located at N86W18330 Main St, Menomonee Falls, WI 53051. There will also be raffles and prizes at the banquet. Guests are welcome at the banquet for an additional \$20.

**Registration:** \$100.00 per shooter, and will cover all events listed above. **Registration is strongly encouraged by August 1** for match planning and financial sake. Payment can be made through PayPal if need be, contact Ben first.

For rules and other info, go to Facebook – the WPPA State Police Shoot and select the Events tab.

\*The Menomonee Falls R&GC will have national match grade AR-15s available for use, with purchase of the Club's ammunition.

**New Shooters are wanted!**  
**All skill levels are welcome.**
