

# Wisconsin Professional Police Association

Dear W.P.P.A. Member:

We are delighted to remind you that the Wisconsin Professional Police Association endorses and recommends only **Wisconsin Vision** when it comes to any of your eyecare needs. All **Wisconsin Vision** employees are members of UFCW Local 1473 and they are the only statewide union shop optical provider.

Wisconsin Vision has established an outstanding reputation with our union by being honest, up front and fair in all their dealings with our members. They continue to offer excellent service, along with quality products, delivered to us at a very fair price. They also stand behind their products and services 100%.

**Wisconsin Vision** has developed a special discount program that is available to *any* union member and dependents who do not have any vision insurance. This discount averages over 30% on the products and services listed on the price schedule, at right, and any product not listed will be discounted 20%. This discount plan is good all year and can be used multiple times.

We strongly urge you to think only **Wisconsin Vision** when both you and your dependents need any vision care products or services. They have earned our support over the years and we are very proud to have **Wisconsin Vision** serving our membership.

This is another important benefit of membership in W.P.P.A. Strength comes from solidarity.

Sincerely,

WISCONSIN PROFESSIONAL POLICE ASSOCIATION
