

YOUR OFFICERS. YOUR COMMUNITY. YOUR CHOICE.

We are the officers that work to keep Sturtevant safe.

We care deeply about this community – because it's our community too. Every day, we respond to emergencies, patrol neighborhoods and businesses, assist residents, and work to maintain the trust and professionalism that this community expects and deserves.

The Village Board is currently considering whether to eliminate our police department and outsource public safety to another agency.

This is about local control, trust, and service. We know this village – not just the streets, but the families, schools, and the challenges that make Sturtevant unique.

- Local officers mean **faster response times and greater accountability.**
- Our department is tailored to **Sturtevant's specific needs and values.**
- If we lose our department, **this community will never get it back.**

Your Officers.

We've built relationships here. We've worked to earn your trust here. We are proud to call this village our home and our responsibility.

Your Community.

A decision this important should be made with transparency and public input. We urge the Village Board to be open and deliberate, and to listen to the voices of the people who live and work here.

Your Voice Matters – Make it Heard!

- **Attend the next Village Board meeting on August 5.**
(go to <https://www.sturtevant-wi.gov/villageboard/meeting/village-sturtevant-board-meeting-77>)
- **Contact your Village Board members and tell them Sturtevant deserves a say in its future.**
(contact info. can be found at <https://www.sturtevant-wi.gov/villageboard/page/village-board-members>)
- **Share this flyer with your neighbors.**
